7

- **Be curious!**
- **Document everything you have seen!**
- **Keep on taking pictures, videos, collect all given materials - you will need them at your work.**
- **Be initiative and creative in implementing your future tasks!**

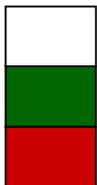

Alive History Workshop, Varna, 11 - 15 April 2011

Varna Public Library

- Each of you will be a team member.
- Each team will have a concrete task in recording, presenting and popularizing the objects of culture and history.
- You will build up your team profile on the Internet.
 - On your own or with assistance you will create representative materials and will have the opportunity to introduce them in front of the participants in the workshop and at a larger audience.
- Your productivity will be precisely documented.
